ART Blooms

-----IN FARMINGTON-----

6th ANNUAL DOWNTOWN BANNER DESIGN CONTEST

Sponsored by The City of Farmington and Mineral Area Council on the Arts

WHO: Local K-12 students in public, private and home schools in the Mineral Area.

WHAT: Art will once again bloom this spring as we decorate the lightpole banners in downtown Farmington. This year's theme is "Places and Spaces." Show us your favorite place or space OR a place you have visited or wish to visit! All artwork should be an original drawing, painting or illustration to depict the theme.

WHEN: All entries should be submitted to the Mineral Area Council on the Arts (MACOA) office or the Farmington Library by Friday, January 31, 2020. All artwork should be submitted flat and may be mailed or hand-delivered. The winning banners will be displayed in downtown Farmington during 2020 and will include credit to the winning artist.

HOW: The official entry form is the second page of this document. Print the form and create your design within the vertical rectangle. Some things to consider when creating your design:

- Bigger is better. Large graphics will translate better to the banner than a smaller, more intricate design.
- Think bold. Strong, saturated colors will translate well.
- Consider your medium for reproduction. The artwork will be scanned into a computer to create the banner. Paints and markers may reproduce better than crayons or pencils.
- Some cropping near the edges may occur when the banners are created. Keep this in mind when you design and keep your most important images toward the center of the banner.
- All entries should include elements to represent the theme. You may choose to include the words "Places and Spaces", but it is not necessary.
- Work should be original and shall not include copyrighted images such as branded cartoon characters.
